AT THE AMWAY GRAND PLAZA

HAIR

WOMEN'S HAIRCUT | 60

Each hair begins with a consultation and hair analysis, followed by a magnificent shampoo with Aveda products and relaxing scalp massage. After your cut your stylist will have recommendations for at home care.

MEN'S HAIRCUT | 40

Each haircut begins with a complete consultation and hair analysis, followed by a magnificent shampoo, relaxing scalp massage and hot towel. After your cut, your stylist will have recommendations for at home hair care.

BANG TRIM | 20

If you are in between hair appointments and your bangs are growing out, schedule a bang trim for a refreshed look.

COLOR RETOUCH | FROM 75

Each color service begins with a consultation and hair analysis. A color retouch entails applying color to the roots only, typically a permanent or semi-permanent color. After your color has processed you receive a shampoo and recommendations for at home hair care.

ALL OVER COLOR | FROM 100

Each color service begins with a consultation and hair analysis. An All over color entails one solid color, usually a permanent or a semi-permanent, applying to all of your hair (roots to ends) either lighter or darker. After your color has processed you receive a shampoo and recommendations for at home hair care.

PARTIAL FOIL HIGHLIGHT | FROM 90

Each color service begins with a consultation and hair analysis. Partial Highlight entails adding dimension and texture to your hair color with highlights and lowlights. The foils are placed on only part of your hair, generally from ear to ear and from fringe to the crown, to give you dimension and texture. After your color has processed you receive a shampoo and recommendations for at home hair care.

FULL FOIL HIGHLIGHT | FROM 120

A full highlight entails adding dimension and texture to your hair color with highlights and lowlights. The foils are placed on throughout your entire head, generally from ear to ear and from fringe to neck, to give you dimension and texture. After your color has processed you receive a shampoo and recommendations for at home hair care.

BALAYAGE FROM | 100

Each color service begins with a consultation and hair analysis. Balayage hair color entails painting on the hair color to achieve an extremely natural "rooty" look. This can be a two-part process with deeper color at the roots and to an ombre affect to the ends. After your color has processed you receive a shampoo and recommendations for at home hair care.
